*Cattle Producers,*

*The following is the early listing of the bulls for the Connealy Angus Bull Sale to be held on Monday, November 20th, 2017. Please note that all of these bulls have been DNA tested, so the EPDs in this listing are genomically enhanced, and therefore more accurate than typical EPDs. A complete catalog with **updated** weights and EPDs, based on the bulls' most recent performance data, will be mailed in early November. Please keep in mind that our bulls are **fully** guaranteed through the first breeding season. If you would like to view the bulls ahead of the sale, please call us and we'll confirm their location for you, as they may not be at the sale site, yet.*

*Thanks in advance for your interest!*

*The Connealys*
