Cattle Producers,

The following is the early listing of the bulls for the Connealy Angus Bull Sale to be held on Saturday, March 25th, 2023. (The 4th Saturday of March.) Please note that all of these bulls have been DNA tested, so the EPDs in this listing are genomically enhanced, and therefore more accurate than typical EPDs. A complete catalog with **updated** weights and EPDs, based on the bulls' most recent performance data, will be mailed in early March, and the videos will be posted by mid-March. Please keep in mind that our bulls are **fully** guaranteed through the first breeding season.

Thanks in advance for your interest!
